B. The Supplier is engaged in the business of providing information technology outsourcing, software engineering and related professional services and has agreed to provide such services to the Client on the terms of this Agreement.

C. This Agreement sets out the framework terms under which the Supplier shall provide services to the Client pursuant to one or more Statements of Work executed hereunder.

## 1. DEFINITIONS AND INTERPRETATION

"Statement of Work" or "SOW" means a document executed by the Parties under this Agreement describing specific services, deliverables, timelines and charges. Each SOW forms part of and is governed by this Agreement.

"Charges" means the fees payable by the Client to the Supplier as set out in the applicable SOW. "Deliverables" means the outputs to be delivered by the Supplier as specified in a SOW. In the event of conflict between this Agreement and a SOW, this Agreement shall prevail except where the SOW expressly states otherwise.

## 2. TERM AND RENEWAL

This Agreement shall commence on the Effective Date and, unless terminated earlier in accordance with its terms, shall continue for an initial term of 1 year(s), expiring on 25 January 2022 (the "Initial Term").

Upon expiry of the Initial Term, this Agreement shall automatically renew for successive periods of 2 year(s) unless either Party gives written notice of non-renewal at least 60 days prior to the end of the then-current term.

## 3. SCOPE OF SERVICES

The Supplier shall provide the services described in each SOW (the "Services"). As at the Effective Date, 1 Statement(s) of Work has/have been agreed, as listed in Schedule 1. Additional SOWs may be executed from time to time and shall be governed by this Agreement.

## 4. CHARGES, INVOICING AND PAYMENT

Late payment of undisputed amounts shall accrue interest at 1.5% per month. All Charges are exclusive of applicable taxes, which shall be borne by the Client.

The aggregate value of the Statements of Work in force as at the Effective Date is \$9,080,000.

## 5. CONFIDENTIALITY

Each Party shall keep confidential all Confidential Information of the other Party and shall not use or disclose it except as necessary to perform this Agreement. These obligations shall survive termination for a period of 5 years.

## 6. INTELLECTUAL PROPERTY

## 7. DATA PROTECTION

Each Party shall comply with all applicable data-protection laws, including the New Jersey Data Privacy Act (NJDPa). Where the Supplier processes personal data on behalf of the Client, it shall do so only on documented instructions and shall implement appropriate technical and organisational measures. A separate Data Processing Addendum shall apply where required by law.

## 8. WARRANTIES

The Supplier warrants that the Services shall be performed with reasonable skill and care and in accordance with good industry practice, and that Deliverables shall materially conform to the specifications set out in the applicable SOW for a period of ninety (90) days following acceptance.

Neither Party shall be liable for indirect, incidental, special or consequential losses, or for loss of profits, revenue or anticipated savings. The Liability Cap shall not apply to liability for death or personal injury caused by negligence, fraud, breach of confidentiality, or a Party's indemnification obligations.

Where the Supplier fails to meet an agreed service level, the Client shall be entitled to service credits as set out in the SOW. The aggregate service credits / liquidated damages payable in any calendar month shall not exceed 15% of the Charges payable for that month for the affected SOW. Service credits are the Client's sole financial remedy for service-level failures, save for the Client's termination rights.
